## CONFERENCES AT SPRINGWOOD HALL

Springwood Hall is situated in Springwood Park, one of the most beautiful Showgrounds in the United Kingdom and the perfect backdrop for your Conference. Although only a five minute walk from Kelso town centre, Springwood Hall is situated in forty acres of old parkland, surrounded by acres of grass, trees, woods and the world famous Tweed Junction Pool. Springwood Park has spectacular views of Floors Castle and the outline of Kelso Town with its medieval abbey, churches and stone buildings.

Aside from its magnificent location, the benefit of using Springwood Hall as the venue for your Conference is that it is versatile and can be used either with little effort or elaborately transformed to suit your needs. Its size and high ceilings create lots of options for your floor plan and layout, with plenty of room for demonstrations and displays. Despite its size, Springwood Hall can be downsized to comfortably accommodate smaller numbers. Ample free, private car parking adjacent to the Hall makes it easy and convenient for delegates to park.
