

"We have used Springwood Hall for a number of events from conferences to a major awards dinner. We have found both the venue and the service from the Border Union Agricultural Society excellent. The venue and other local suppliers such as catering companies, certainly demonstrated a very professional approach to the events involving us."

FORMAL FUNCTIONS

AT SPRINGWOOD HALL

Springwood Hall is situated in Springwood Park, one of the most beautiful Showgrounds in the United Kingdom and the perfect place to have your formal event whether it is a Ball, Awards Evening, Fundraising Gala or Fashion Show. Only a few minutes walk from Kelso town centre, Springwood Hall is situated in forty acres of old parkland, surrounded by trees, woods and the world famous Tweed Junction Pool. Springwood Park has spectacular views of Floors Castle and the outline of Kelso town with its medieval abbey, churches and stone buildings. The picturesque location provides the perfect backdrop for your special event.

The benefit of using Springwood Hall as the venue for your event is that it is incredibly versatile and can be used either with the existing decor or elaborately transformed to suit your needs. Its size and high ceilings create opportunities for fantastic decorations and themes. However, despite its large size, Springwood Hall can be downsized to provide a more intimate setting for fewer numbers. In addition, Springwood Hall does not have an in-house caterer and this means that you can choose a caterer who suits your event and budget.

The key features of Springwood Hall:
