

"We held our daughter's Wedding Reception in Springwood Hall and found it ideal for this function. The facilities such as car parking and kitchens were brilliant and everyone was so helpful, it all went to make the evening a great success."

Mark & Judy Robson, The Borders

Weddings AT SPRINGWOOD HALL

Springwood Hall is situated in Springwood Park, one of the most beautiful Showgrounds in Britain and the perfect place to have your wedding ceremony and/or reception.

A short walk from Kelso town centre, Springwood Hall is situated in forty acres of old parkland, surrounded by trees, woods and the world famous Tweed Junction Pool. Springwood Park has spectacular views of Floors Castle and the outline of Kelso with its medieval abbey, churches and stone buildings. This picturesque location provides great photographic opportunities and is the perfect backdrop for your wedding day.

The benefit of using Springwood Hall as the venue for your wedding is that it is extremely versatile and can be tailored to suit your tastes and the number of people on your guest list. The size and high ceilings create the potential for fantastic decorations and themes, however this venue can also be downsized to provide a more intimate setting for fewer numbers. In addition to this, Springwood Hall does not have in-house catering so you can make your wedding day unique and invite the caterer who suits your style and budget.
